

STOP TO BE CALLED ON CAR NOISES AND QUIET WILL RULE CITY

Service Commissioner Is to
Order Mufflers and Soft
Pedals for the "L."

The muffler is to be placed upon all
cars and the soft pedal on car brakes
in the city of New York.

In the Plans of Public Service Com-
missioner Eustis are adopted you who
travel along Third Avenue, Sixth Ave-
nue, Ninth Avenue or live along any
of these streets can go to sleep and
dream through eight hours of rest un-
disturbed by grinding wheels, whistles
or rattling bangs.

After the people along the elevated
lines have been restored to the rest
they have been told from childhood
they would get some day, the rule of
silence will pass foot its way to the
other car lines.

The B. R. T. expects to spend many
thousands a year for soft pedals. The
New York City Railways will likely
spend as much or more for the same
purpose.

Commissioner Eustis had of late been
receiving so many complaints against
the noise caused by cars and trains
that his rest and peace of mind have
become disturbed. So the Commissioner
called representatives from the com-
panies before him and explained the
situation.

When a train drew into a station
in the dead of night, or when a car
brought up at a house, Commissioner
Eustis explained, there were sounds
which might be mistaken either for
a cat fight or some one being choked
in a dark alley.

One of the railway officials told of
an asphaltum strip which could be
placed between the brake shoe and the
wheel. The device has been tried on
the Madison Avenue cars in Man-
hattan and on the Montague street line
in Brooklyn. In both instances it has
been reported effective as a noise killer.

The representatives of the elevated
and surface lines told Commissioner
Eustis that they felt certain that their
companies would make a trial of the
new soft pedal if the Public Service
Commissioner issued an order to that
effect. The order will go forth.

Noise experts say that the people of
New York will have to get used to the
"horrible silence" predicted.

"It will be like Moscow," said one ex-
pert, "where the people woke up in
silence and ran out of their homes just
because the bells did not ring that
night."

WOMEN SUBJECT TO KIDNEY TROUBLES.

I beg to say that I have been a con-
stant sufferer with severe pains in my
back and was on the verge of nervous
prostration resulting from kidney trouble
and other complications. A friend of
mine recommended Dr. Kilmer's
Swamp-Root as a sure cure for these
troubles. Acting upon my friend's ad-
vice I began taking Swamp-Root and began to
improve before I had finished the first
bottle. I continued its use until I had
taken several bottles and continued to
improve until I was completely cured.
I am happy to say that I am as well as
any woman on earth and have been so
for the past nine years, thanks to Dr.
Kilmer's Swamp-Root, and I cheerfully
recommend it to all who suffer from kid-
ney troubles.

Very truly yours,
MRS. ALVA BAXTER,
407 Cypress St., Orange, Texas.
Subscribed and sworn to before me
this 31st day of March, 1912.

JOHN J. BALL,
Notary Public.
